Dinesh K

Java Full Stack Developer (Fresher)

Chennai, India | 8610619931 | dineshkumar86106@gmail.com | github.com/Dinesh-now |

linkedin.com/in/dinesh-k-63a292324

Professional Summary

Java Full Stack Developer skilled in Java, Spring Boot, Hibernate, JDBC, React.js, and MySQL. Built a backend Banking Application (account, loan, and approval workflows) and a frontend Child Support Enforcement Portal (case, court order, and payment tracking). Seeking an entry-level full stack role to apply these skills.

Skills

Languages: Java, SQL, JavaScript

Backend: Spring Boot, Spring Data JPA, REST API, JDBC, Hibernate

Frontend: HTML5, CSS3, Tailwind CSS, React.js

Database: MySQL

Tools & Version Control: Eclipse, VS Code, Maven, Postman, Git, GitHub

Projects

Banking Application Java, Spring Boot, Spring Data JPA, MySQL, Lombok, REST API

Backend Developer

- Designed and developed **14+ REST API endpoints** across User, Account, Transaction, and Loan modules using Spring Boot and Spring Data JPA.
- Built a loan management module tracking the full lifecycle (Applied, Approved, Disbursed, Repaid) with status updates and balance tracking.
- Developed a global exception handling layer with custom exceptions and field-level validation via Spring Validation.

Child Support Enforcement Portal React.js, HTML5, CSS3, JavaScript

Frontend Developer

- Built a responsive multi-page portal with **6+ screens** covering case registration, case search, and payment tracking workflows using reusable React components.
- Implemented client-side routing with React Router across **6+ routes** for seamless navigation between modules.
- Managed application state using React hooks (useState, useEffect) for dynamic forms and real-time updates.

Experience

VCodez Innovation May 2025 – August 2025

Java Full Stack Development Intern *Chennai, India*

- Worked primarily on **frontend development**, building and styling web pages using HTML, CSS, and JavaScript.
- Gained hands-on exposure to full stack development practices, laying the foundation for backend development with Java and Spring Boot.
- Collaborated with the training team to complete assigned front-end tasks within scheduled timelines.

Education

Gnanamani College of Technology (Autonomous) Namakkal, Tamil Nadu

Master of Computer Applications, CGPA: 7.7 *Sept. 2023 – July 2025*

Government Arts and Science College Dharmapuri, Tamil Nadu

B.Sc. Computer Science, Percentage: 68% *July 2020 – June 2023*

Certifications

Java Full Stack Developer Certification – Q Spiders, Vadapalani, Chennai (Nov 2025 – Aug 2026)

Web Development Workshop – Conducted by VEI Technologies, Chennai at Gnanamani College of Technology
